

# Join Clark County 4-H!

## What is 4-H?

4-H is a community of young people across America who are learning leadership, citizenship and life skills. 4-H youth programs provide opportunities for youth to develop skills they can use now and throughout their life.

## Who can join 4-H?

Membership is open to all youth grades K-12. The 4-H enrollment age is determined by the member's grade as of January 1.

## What will I learn?

Each 4-H member selects at least one project. Youth have the opportunity to choose an area that they have experience in, or are interested in learning about. Check with your Extension Office or 4-H Club to get all the details!

## Share your knowledge

We are always looking for passionate adults who enjoy working with youth, to help lead 4-H clubs, activities, or projects. You can volunteer with your club or at the county level!

## What else can I do as a 4-H member?

Youth can participate in county wide events such as summer camp, day camp, public presentations, county and state fair, and so much more! There are also leadership opportunities such as becoming a club officer or a camp counselor!

## 4-H PLEDGE

**“I pledge my head to clearer thinking,  
my heart to greater loyalty,  
my hands to larger service,  
and my health to better living,  
for my club,  
my community,  
my country, and  
my world.”**
